

## KOA Care Camps

The Care Camp Trustees is a board composed of 12 KOA Owners and interested corporate volunteers who volunteer their time in developing a variety of fund raising activities for these camps. They are also the ones who will review the applications from the various Camps and make the final decision on the amount that the camps receive from the KOA Care Camp funds.

The KOA Kampground Owners of America believe in the benefits of camping and in giving back to others; so they have chosen the Care Camps to be a focus of this belief. Camping is a fun activity and what better way to help these children than giving them a chance to go camping.
